

# CLAIRE HANDHELD odor neutralizer

air freshener with Ordenone™

Citrus Burst C244

Mulberry Mist C240

Clean Breeze C575

This air freshener is a counteractant and not a masking product. The active ingredient Ordenone™ is a concentrated compound that works on contact to entrap malodor molecules. This air freshener leaves a pleasant, long-lasting fragrance while ridding areas of undesirable odors.

USES: This product can be used on draperies, carpeting, upholstery, bedding, fabrics, clothing, automobile interiors, trash cans, etc.

**A counteractant air freshener - not a masking product**  
**Safe to use on carpeting, upholstery, draperies, etc.**  
**Immediately eliminates offensive odors such as vomit, urine, smoke, etc**

See MSDS for further safety information
