

# Safety Data Sheet

Classified in accordance 29 CFR 1910.1200

## 1. Product Identification

**Product Information:** 1000004818

**Product Identifier:** FRESH LINEN 900 METERED AIR FRESHENER

**Recommended Use:** Air Freshener

**Manufacturer/Importer/Distributor Information:** PLZ CORP  
2651 WARRENVILLE RD, STE 300  
DOWNERS GROVE, IL 60515  
US  
800-332-9000

**Emergency Telephone:** 866-836-8855

## 2. Hazard(s) identification

### Classification

Flammable Aerosol, category 1  
Aspiration Hazard, category 1  
Skin Sensitizer, category 1  
Eye Irritation, category 2A  
STOT, single exposure, category 3, NE

### Label elements

#### HAZARD PICTOGRAMS

### SIGNAL WORD

Danger

### GHS HAZARD STATEMENTS

H222 Extremely flammable aerosol.  
H304 May be fatal if swallowed and enters airways.  
H317 May cause an allergic skin reaction.  
H319 Causes serious eye irritation.  
H336 May cause drowsiness or dizziness.

### GHS PRECAUTIONARY STATEMENTS

#### Prevention

P210 Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.  
P211 Do not spray on an open flame or other ignition source.  
P251 Do not pierce or burn, even after use.  
P261 Avoid breathing dust, fumes, gas, mist, vapours, or spray.

|                 |                                                                                                                                                                                      |
|-----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| P264+P265       | Wash hands thoroughly after handling. Do not touch eyes.                                                                                                                             |
| P271            | Use only outdoors or in a well-ventilated area.                                                                                                                                      |
| P272            | Contaminated work clothing should not be allowed out of the workplace.                                                                                                               |
| P280            | Wear protective gloves, eye protection, and face protection                                                                                                                          |
| <b>Response</b> |                                                                                                                                                                                      |
| P301+P316       | IF SWALLOWED: Get emergency medical help immediately.                                                                                                                                |
| P302+P352       | IF ON SKIN: Wash with plenty of soap and water.                                                                                                                                      |
| P304+P340       | IF INHALED: Remove person to fresh air and keep comfortable for breathing.                                                                                                           |
| P305+P351+P338  | IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.                                                     |
| P319            | Get medical help if you feel unwell.                                                                                                                                                 |
| P331            | Do NOT induce vomiting.                                                                                                                                                              |
| P333+P317       | If skin irritation or rash occurs: Get medical help.                                                                                                                                 |
| P337+P317       | If eye irritation persists: Get medical help.                                                                                                                                        |
| P362+P364       | Take off contaminated clothing and wash it before reuse.                                                                                                                             |
| <b>Storage</b>  |                                                                                                                                                                                      |
| P403+P233       | Store in a well-ventilated place. Keep container tightly closed.                                                                                                                     |
| P405            | Store locked up.                                                                                                                                                                     |
| P410+P412       | Protect from sunlight. Do not expose to temperatures exceeding 50°C/ 122°F.                                                                                                          |
| <b>Disposal</b> |                                                                                                                                                                                      |
| P501            | Dispose of contents/container to an appropriate treatment and disposal facility in accordance with applicable laws and regulations, and product characteristics at time of disposal. |

**Other Information**

None

### 3. Composition/Information on Ingredients

**Mixtures**

| <u>Chemical Identity</u>                    | <u>CAS Number</u> | <u>Content in Percent (%)*</u> |
|---------------------------------------------|-------------------|--------------------------------|
| Propellant, 1,1-Difluoroethane              | 75-37-6           | 50-75                          |
| Isopropyl Alcohol                           | 67-63-0           | 25-50                          |
| Distillates (Petroleum), Hydrotreated Light | 64742-47-8        | 10-25                          |
| Benzyl benzoate                             | 120-51-4          | 1.0-2.5                        |
| 2,6-dimethyloct-7-en-2-ol                   | 18479-58-8        | 1.0-2.5                        |
| Acetyl Cedrene                              | 32388-55-9        | 0.1-1.0                        |
| 3,7-dimethyl-1,6-nonadien-3-ol              | 10339-55-6        | 0.1-1.0                        |
| Linalool                                    | 78-70-6           | 0.1-1.0                        |

\* All concentrations are percent by weight unless ingredient is a gas. Gas concentrations are in percent by volume.

**Composition Comments:** Other components are not hazardous or are below required disclosure limits.

The exact concentration has been withheld as a trade secret.

### 4. First-aid Measures

**SKIN CONTACT:** Remove contaminated clothing and wash the skin thoroughly with soap and water after work.

**EYE CONTACT:** Rinse immediately with plenty of water.

**INHALATION:** Move to fresh air.

**INGESTION:** Rinse mouth.

**IMPORTANT SYMPTOMS:** No data available

**INDICATION OF IMMEDIATE MEDICAL ATTENTION AND SPECIAL TREATMENT NEEDED:** Get medical attention if symptoms occur.

## 5. Fire-fighting Measures

**EXTINGUISHING MEDIA:** Use fire-extinguishing media appropriate for surrounding materials.

**UNSUITABLE EXTINGUISHING MEDIA:** Do not use water jet as an extinguisher, as this will spread the fire.

**UNUSUAL FIRE AND EXPLOSION HAZARDS:** No data available

**SPECIAL FIREFIGHTING PROCEDURES:** No data available

## 6. Accidental Release Measures

**PERSONAL PRECAUTIONS :** Ventilate closed spaces before entering them. **ELIMINATE** all ignition sources (no smoking, flares, sparks or flames in immediate area). Keep upwind.

**METHODS AND MATERIALS FOR CONTAINMENT AND CLEANUP:** Stop the flow of material, if this is without risk. Absorb with sand or other inert absorbent.

**ENVIRONMENTAL PRECAUTIONS:** Avoid release to the environment. Prevent further leakage or spillage if safe to do so. Do not contaminate water sources or sewer. Environmental manager must be informed of all major spillages.

## 7. Handling and Storage

**HANDLING:** Keep away from sources of ignition - No smoking. Keep away from open flames, hot surfaces and sources of ignition. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use.

**SAFE HANDLING ADVICE:** Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use.

**STORAGE:** Pressurized container: protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn, even after use.

**NFPA 30B:** Aerosol Level 1

## 8. Exposure Controls/Personal Protection

### Ingredients with Occupational Exposure Limits

| <u>Chemical Name</u>                        | <u>TLV-TWA</u> | <u>TLV-STEL</u> | <u>PEL-TWA</u> | <u>PEL-CEILING</u> |
|---------------------------------------------|----------------|-----------------|----------------|--------------------|
| Propellant, 1,1-Difluoroethane              | N.E.           | N.E.            | N.E.           | N.E.               |
| Isopropyl Alcohol                           | 200 ppm        | 400 ppm         | 400 ppm        | N.E.               |
| Distillates (Petroleum), Hydrotreated Light | 200 mg/m3      | N.E.            | N.E.           | N.E.               |
| Benzyl benzoate                             | N.E.           | N.E.            | N.E.           | N.E.               |
| 2,6-dimethyloct-7-en-2-ol                   | N.E.           | N.E.            | N.E.           | N.E.               |
| 3,7-dimethyl-1,6-nonadien-3-ol              | N.E.           | N.E.            | N.E.           | N.E.               |

**Further Advice:** MEL = Maximum Exposure Limit OES = Occupational Exposure Standard SUP = Supplier's Recommendation  
Sk = Skin Sensitizer N.E. = Not Established

**ENGINEERING CONTROLS:** No data available.

### Personal Protection

**EYE/FACE PROTECTION:** Wear goggles/face shield.

**SKIN PROTECTION:** No data available

**RESPIRATORY PROTECTION:** Seek advice from local supervisor. In case of inadequate ventilation use suitable respirator.

**HYGIENIC PRACTICES:** When using do not smoke. Observe good industrial hygiene practices.

## 9. Physical and Chemical Properties

### Appearance:

|                                         |                     |
|-----------------------------------------|---------------------|
| Physical State:                         | Liquid              |
| Form:                                   | Spray Aerosol       |
| Color:                                  | Colorless           |
| Odor:                                   | fresh linen         |
| Odor Threshold:                         | No data available   |
| pH:                                     | No data available   |
| Freeze Point, °C:                       | No data available   |
| Boiling Point, °C:                      | 82                  |
| Flash Point, °C:                        | -50                 |
| Flammability (solid, gas):              | No data available   |
| Evaporation Rate:                       | No data available   |
| Combustibility:                         | Supports Combustion |
| Explosive Limits, %:                    | 0.2 - 16.9          |
| Vapor Pressure @20°C, PSI:              | 50-70               |
| Vapor Density:                          | No data available   |
| Relative Density:                       | 0.862               |
| Solubility in Water:                    | No data available   |
| Partition Coefficient, n-octanol/water: | No data available   |
| Auto-Ignition Temperature, °C:          | No data available   |
| Decomposition temperature, °C:          | No data available   |
| Kinematic Viscosity:                    | No data available   |

## 10. Stability and Reactivity

**REACTIVITY:** No data available.

**STABILITY:** Material is stable under normal conditions.

**POSSIBILITY OF HAZARDOUS REACTIONS:** No data available.

**CONDITIONS TO AVOID:** Avoid heat or contamination

**INCOMPATIBILITY:** No data available

**HAZARDOUS DECOMPOSITION PRODUCTS:** No data available.

## 11. Toxicological Information

### Information on Likely Routes of Exposure

**IMPORTANT SYMPTOMS:** No data available

**SKIN CONTACT EFFECTS:** May cause irritation on prolonged or repeated contact.

**EYE CONTACT EFFECTS:** May cause slight irritation with tearing.

**INHALATION EFFECTS:** Inhalation of high concentrations of mists may cause irritation of the nose throat and upper respiratory tract.

**INGESTION EFFECTS:** Ingestion may cause irritation of the mucous membranes, esophagus and stomach.

**CHRONIC HAZARDS:** No data available

**Carcinogenicity:** No component of this product present at levels greater than or equal to 0.1% is identified as probable, possible, or confirmed human carcinogen by IARC, ACGIH, NTP or OSHA.

The following values are calculated based on chapter 3.1 of the GHS document. The product itself has not been tested.

|                       |                                                            |
|-----------------------|------------------------------------------------------------|
| <u>ATE ORAL</u>       | 4,494 mg/kg                                                |
| <u>ATE DERMAL</u>     | 5,097 mg/kg                                                |
| <u>ATE INHALATION</u> | Not classified for acute toxicity based on available data. |

#### Acute Toxicity Values

The acute effects of this product have not been tested. Data on individual components are tabulated below

| <u>CAS-No.</u> | <u>Chemical Name</u>                        | <u>Oral LD50</u> | <u>Dermal LD50</u> | <u>Vapor LC50</u> |
|----------------|---------------------------------------------|------------------|--------------------|-------------------|
| 75-37-6        | Propellant, 1,1-Difluoroethane              | 5,000 mg/kg      | 5,000 mg/kg        | 100 mg/l          |
| 67-63-0        | Isopropyl Alcohol                           | 5,000 mg/kg      | 5,000 mg/kg        | 10000 mg/l        |
| 64742-47-8     | Distillates (Petroleum), Hydrotreated Light | 5,000 mg/kg      | 5000 mg/kg         | >100 mg/l         |
| 120-51-4       | Benzyl benzoate                             | 500 mg/kg        | 5,000 mg/kg        | 100 mg/l          |

N.I. = No Information

#### Skin Corrosion & Irritation:

**Product:** No data available

#### Serious Eye Damage & Irritation:

**Product:** No data available

##### Components:

|                           |            |                                |
|---------------------------|------------|--------------------------------|
| Isopropyl Alcohol         | 67-63-0    | Causes serious eye irritation. |
| 2,6-dimethyloct-7-en-2-ol | 18479-58-8 | Causes serious eye irritation. |

#### Respiratory or Skin Sensitization:

**Product:** No data available

##### Components:

|                                |            |                                      |
|--------------------------------|------------|--------------------------------------|
| 3,7-dimethyl-1,6-nonadien-3-ol | 10339-55-6 | May cause an allergic skin reaction. |
| Acetyl Cedrene                 | 32388-55-9 | May cause an allergic skin reaction. |
| Linalool                       | 78-70-6    | May cause an allergic skin reaction. |

#### STOT-Single Exposure:

**Product:** No data available

##### Components:

|                   |         |                                    |
|-------------------|---------|------------------------------------|
| Isopropyl Alcohol | 67-63-0 | May cause drowsiness or dizziness. |
|-------------------|---------|------------------------------------|

#### STOT-Repeated Exposure:

**Product:** No data available

#### Aspiration Hazard:

**Product:** No data available

##### Components:

|                                             |            |                                               |
|---------------------------------------------|------------|-----------------------------------------------|
| Distillates (Petroleum), Hydrotreated Light | 64742-47-8 | May be fatal if swallowed and enters airways. |
|---------------------------------------------|------------|-----------------------------------------------|

**Carcinogenicity:**

**Product:** No data available

**Reproductive Toxicity:**

**Product:** No data available

**Germ Cell Mutagenicity:**

**Product:** No data available

## 12. Ecological Information

**ECOLOGICAL INFORMATION:** No data available

**PERSISTENCE:** No data available

**BIOACCUMULATE:** No data available

**MOBILITY IN SOIL:** No data available

**OTHER ECOLOGICAL:** No data available

## 13. Disposal Information

**DISPOSAL INFORMATION:** Consult with your local, regional and federal agencies for information on proper disposal.

**CONTAMINATED PACKAGING :** Consult with your local, regional and federal agencies for information on proper disposal.

## 14. Transport Information

**SPECIAL TRANSPORT PRECAUTIONS:** No data available
